

## **Coral or coal?**

Speak up, comrades, coral or coal?  
Coral or coal, coral or coal?  
Speak up comrades, coral or coal?  
We want to hear your voice (x 2)

*Speak up! speak up now,  
Let the people hear what you say,  
Speak up! speak up now,  
Reject Adani today.*

## **Wastin' the water**

*[Tune. Wade in the water]  
Wastin' the water,  
Wastin' the water, children,  
Wastin' the water,  
Queenslands a wastin' the water.*

Queensland's water's fresh and fine,  
*Queenslands a wastin' the water.*  
They're giving it away to Adani's  
mine.  
*Queenslands a wastin' the water.*

Wasting the water that the people  
need,  
*Queenslands a wastin' the water.*  
For the short term profits of the men  
of greed,  
*Queenslands a wastin' the water.*

*Wastin' the water,  
Wastin' the water, children,  
Wastin' the water,  
Queenslands a wastin' the water.*

## **Coral or coal**

Let the people hear what you say,  
Speak up! speak up now,  
Reject Adani today.*

Speak up comrades, coral or coal?
